Bockoven

February 10th, 1982

Jean A. Hoelaars

1721 Fosterdale Ct.

Royal Oak, Mich. 48067

Dear Mrs. Hoelaars:-

In reply to your recent Bockoven-Kymer marriage query.

I checked Volume One of Sussex County Marriages (beginning 1795), Vol. XXII of New Jersey Archives (N. J. marriages 1665-1800) and the index to The Genealogical Magazine of New Jersey, all unsuccessfully.

Also checked Norton's New Jersey in 1795, but could find no Jacob Backover/Backover.

As you know, New Jersey birth records begin in May, 1848 so no 1790's birth records would be available on a state level.

Frankly, there were so few churches in Sussex County at that time and the existing records are so fragmentary, that to find anything would be pure luck.

As I could not be of help, am returning your \$1.

Very truly yours,

Howard E. Case

JACOB BOCKOVEN FAMILY

THOMAS B. WILSON

IN the course of applying for a pension as the widow of a Revolutionary War soldier, Elizabeth Bockoven made a sworn statement 22 December 1837 in Delaware County, Ohio, in which she was described as being of Berlin Township in that County, aged 92 years. She stated that she was the widow of Captain Jacob Bockoven who served in the New Jersey militia during the Revolution. He was appointed captain of a company raised in his neighborhood at Wantage, Sussex County, in 1776. She was married to him in September or October 1765. He died 19 March 1819.

Elizabeth's two sons were called on for statements in her behalf in the course of which they made some valuable genealogical comments. Jacob Bockoven of Knox County, Ohio, made a deposition 12 December

1837 in Delaware County in which he was described as being a son of Captain Jacob Bockoven formerly of the New Jersey militia and Elizabeth his wife. He made the following statements. "I was born in Morris County, New Jersey, 6 February 1768. My father in March 1774 moved to Wantage Township, Sussex County, where he resided during the Revolutionary War and until his death 19 March 1819 and was then said to be 84 years of age and was born according to the best information I have in 1735. My father was married to my mother Elizabeth in September or October 1765 in Morris County. My mother's maiden name was Elizabeth Whitenac [and she] was born at her father's residence, Blickard Whitenac, in Morris County in the year 1746 and is now 91 or 92 years of age. I often heard when I was a boy that they were married by Doct. Kennedy a Presbyterian clergyman. My mother was the youngest of her family and now the only survivor. . . . I removed from New Jersey to Knox County where I now reside about six years since."

On the same date, 12 December 1837, George Bockoven made the following statement under oath. "I am a son of Elizabeth Bockoven and of Captain Jacob Bockoven. I was born June 26, 1774. I have no record, and know of none, of the age or marriage of my father and mother. They had but five children a record of their several ages hereto attached taken from a leaf of my family Bible which was copied from an old book which entry was made by my father, and copied on the attached leaf about twenty-five or thirty years since. Since my father's death my mother always resided with me. In 1823 my mother removed from New Jersey with me to where I now reside in Delaware County." [Revolutionary War pension application, W4134] Number 3808 of the GSNJ Family Records Collection.
