Dr. Robert Peeples,

What a pleasure it was talking to you this morning , I could have listened (and asked questions) for hours . I'm looking forward to meeting you one day , hopefully in the not too distant future . I am enclosing my check for \$ 36.50 . (Our Family Circle,\$28.50 - Tales of Antebellum Islands,\$3.00, and a Picture of Dr. George Mosse,\$5.00 ) . I've become so involved and interested in my wife's family history , the Lawton - Brisbane - Mosse - Robert and so many more , that I've put my own genealogy project almost on hold. What a great history lesson this has been . My wife is Winifred Marie (Brisbane) Weimer , daughter of Charles Winford Brisbane (1898-1953) grand daughter of Wm. Henry Brisbane (1854-1930) great g'daughter of Benjamin Lawton Brisbane (1834-aft.1885) 2X Gr. Grand daughter of William Henry Brisbane and Anna Glorianna Lawton

Thanks again for your help and interesting information . If I can be of any help to you or anyone else that may be interested in the later years Brisbane families , I'll be very pleased to share what information I have .

Thomas E. Weimer
