

Estill S. C. Aug, 21 1937.

Dear Cousin Agnes,

I am getting up the Broughten family records and I am having a hard time getting the family line started and I am begging your assistance. Your sister Nancy Bestick Lawton married Walter Wilson Broughten and I would be so glad if you can give me the births marriage and deaths and where if you know where they are buried.

Who was Walter Wilson Broughtens father and mother I am anxious to get the first name

Do you know if it was Capt. Richard Subbeck Broughten ?

was his wife Sarah T. Wilson

was his son named Francis Marion Broughten born 1814 died 1829

Who was George Washington Broughten  
that married Louise Branford

George Washington Broughten had sister Mariah Broughten

Wilson  
Louise Broughten dau, of Walter Walton Broughten and Nancy Lawton  
married George S. Clarke and she asked me to write it up and I cannot  
find data I want. Did Broughtens come from Euhaw section now Grahamville  
S.C. she said they owned Grahamville before War of 1861.

What I am anxious to know is this are these Broughtens descended from  
the Charleston S.C Broughtens or the Savannah .Ga. Broughtens?

Anything that you write me will be highly treasured.

I am Judson Lawton (and John Lawton) daughter of old Lawtonville I  
guess you remember hearing of my father. Cousin Bessie Bestick  
told me if I wrote you she felt sure I could get some information.

Thanking you so much and wishing I could talk to you  
instead of writing I could do the writing for you.

Yours sincerely,
