Dear Rev. Peoples,

This March 23, 295 years ago one Thomas Cater was granted 100 acres along the Ashley River. From my Count MR Cater's descendants number over 900. I am one of that number. Only this past month, I learned you are among that number, too!

I presume that you are a descendant of Mary Cater Rhodes Taylor. I have her descendants as recorded in our Family Circle. Mrs. Allen Rogers sent me a letter via another Cater Cousin with your name and address, dated 1967.

I am a descendant of Mary Cater's younger brother, Thomas Miles Cater. I have spent seven years on this project and feel I have the most up-to-date-work. I have spent two vacations in Columbia searching through the Archives. I have used the S.C. Hist and Gen. mag. plus many other sources and hope that you can help me on the Mary Cater descendants.

In a future letter I will xerox what I have on Mary Cater + descendants and hope you can give me a few leads on address of living descendants.

Hoping to hear from you soon.

Sincerely,

Ferry R. League
