Dear Rev. Dr. Peoples:

Your name was referred to me by Sara S. Dwight (Mrs. Everett) as having worked on or collected information on a James Daniel of Barnwell, S.C. who migrated there from Virginia, who md 3rd Mrs. Ann Salley Pendarvis Robinson. Some of my people in Louisiana married into the Pendarvis family.

I have a list of Daniel wills in Virginia, but am particularly interested in James Daniel of Tazewell Co., Va. who md Rebecca (Asberry)? Possible son of James Daniel will Albemarle Co., Va. 1761. Have records on a Spilsby Daniel born Bedford Co., Va. about 1760 period. Names of Asberry and Wyatt used in my line of Daniel (my grandmother Hammond's maiden name).

Just checked with Frances Griffin of Chesapeake, Va. 23320. No. information from her. You may disregard if you have no info that would help me. Mrs. Everett Dwight was interested in Asbury Sylvester (Ashberry). I recall there was a Sylvester Hammond that I ran across ca 1800. Would welcome your Daniel line if you would care to share it.

Spilsby Daniel evidently related to James. He md. Sarah Asberry
