Dear Dr. Peeples;

I was reading some rather old correspondence that you, Jo Ann DeWitt Sharpe (my 1st cousin) and a Mrs. Wright had in regard to the DeWitt's of South Carolina. So I though I would see if I could get your latest thoughts on these DeWitt's

To start with I am new at this Genealogy searching business but am willing to get involved.

I am Ernest L. DeWitt born 20 July 1928 in the vicinity of DeWitt's Bluff, Florence County, SC. the part that was in Marion County prior 1888. Charles DeWitt and Mary McCall were my ggg grandparents. Charles's son James and Elizabeth (unknown) were my gg grandparents and James's son Peter and Palmyra Hyman were my g grandparents.

In your correspondence and that of others that I have read indicate that Thomas DeWitt married Mary McCall. While everything that I have found indicates that Charles DeWitt and Mary McCall were married. The following pages show what I have on this.

Your comments and current thoughts on this subject would be greatly appreciated.

Take Care

Ernest L. DeWitt
