Dear Mrs. Brady:

First Families Application

Please find enclosed more proofs for recent Elliott generations. The first ten enclosures are self explanatory. My grandmother, Mary Rhett White Elliott did marry Dabney Davis after ABE II died, so her correct name should be Mary R. White Elliott Davis.

I have included references 10 through 14 for continuity. Rev. Peeples suggested that I look for Rev. William H. Elliott, Robert Habersham Elliott and Mary O'Brien Habersham in the Savannah 1840 and 1850 census data. I can find no trace of any of them until the 1860 census (Enclosure 10). It is interesting to compare the Robert Habersham household of 1860 with that of the Laurel Grove Cemetery graves in Lots 525, 526, 490 and 491. My father was the last to be interred (Enclosure 12) and Ann and I plan to be buried there.

I have enclosed an unpublished Habersham-Elliott genealogical paper for your enjoyment. Actually, as a genealogist, amateur efforts like these probably seem of little help but I did find out that Robert Habersham Elliott had a brother! I have only sent you about one third of this tome.

If you have any further questions, please feel free to telephone me at (803) 837-4841

Very truly yours,

*Arthur B. Elliott III*
