Robert,

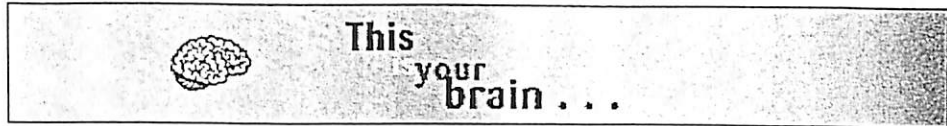

I hope this letter finds you and Cora doing ok. My mom passed away last month so I have been busy doing her affairs.

I have been corresponding with a Bill Fickling from Macon who is doing some Fickling research. He went to Edisto Island recently to look for Fickling's and Jenkins. He took a picture of a monument of Capt. Lawton at the Presbyterian Church. Is that our William Lawton?

Lois and Pete are doing ok. She stays close to home to take care of her mom.

Hope to see you soon.

Keith
