Dear Cousin,

Today my ancestor list has increased beyond my expectations. I am truly grateful and thank you for your generosity.

Anything I can do to aid you or your Historical Society will be my pleasure. Will begin reading tomorrow. The Mormon genealogical Library in Oakland, about ten miles, has some of the census. St Helena Parish 1850 and 1860, from which I copied the Thomas and George Rhodes families, films were there last year. Some are available from Salt Lake.

No historical material on S. C. may be ordered from Salt Lake but that shouldn't include census records. Once I found 1830 St Helena - Joseph Fickling was census taker. Names of family members begin with 1850 census.

Enclosing a page from Virginia. These names may help locate your Henry or Samuel Howard.

You may have information about some of my other Beaufort ancestors.
