Information on the service of any of the Patriots may be obtained from DAR Headquarters in Washington.

This interesting little booklet has your lineage back to Adam.

I read the booklet at Mormon Genealogical Library in Oakland. There isn't a Xerox machine at that library. Books cannot be checked out so I couldn't Xerox the pages.

Several years ago at DAR Congress in Washington met Mrs Harold Falk. He was from Earhardt. She is an active DAR member in Washington.

Hope some of this information may help in your search.

Sincerely,
Ruth Sawyer
