RE: Coy Folk  
Girard Folk  
Gustavus Folk

MEMORANDUM

Our records go back as far as 1932, and I have found, Clarion Coy Folk, born, July 10, 1901 and died Nov. 21, 1943. Then I had on our records a William Gerard Folk, born 1903 and died April 4, 1934 in an auto accident and Coy Folk was person who took care of the funeral expense. Our records showed Girard spelled Gerard, but since Coy Folk was responsible for the bill I am sure this is the same person. We have no record on Gustavus Folk.
