Dear Robert,

Pleased I could help you find Mahala's  
parents. Sophie may have been a Brant,  
as these people are buried in BRANT cemetery.

I think Mrs. Florrie Thomas, Ehrhardt,  
S.C. has photos of Jacob Folk & wife Olive  
Brabham Kears. at least, some years ago  
she told me that.

Mrs. Thomas is peculiar, so if she has  
them and says you can copy same, it would  
be best to go there with a camera that  
takes pictures of pictures. She's 84 &  
no one else in her family is interested, so  
it would be well to salvage before totally  
lost. She has two boxes of Daguerrotypes,  
tintypes etc. of Folks + Rizers.

Let me know if you care!

Sincerely,  
James

If you have copy of First Families  
of S.C. perhaps you can send names  
and address of those descended  
from Col. John Godfrey, any from Col. Hezekiah Maham?
