Dearest Cara + Bob:

We had very few last year at the Folk Reunion. I took the President to keep it from folding up - James had served three years, no one would take it - Angelia said if I would take the President she would continue as Secretary. Maybe this year our attendance will be better. The young married people aren't coming. It's going to be hard for me to get the Hut Key - He goes to church before 10 A.M. Jo Bessie drove me down last year on account of my hands, I had surgery on both hands in May, it helped some but I still have some stiff fingers.

But, I wonder if you will do  
a short Devotional as a  
memorial to our deceased members.

These present last wanted us to  
update that Folk Family History  
Angelica and I did 25 years ago.  
The Copy Herald had was in my  
house - We had feared it so none  
of the pages would get lost. I imagine  
you have your family up to date. Bessie  
has been helping me on the  
other part of the John Great Family.  
She will be 85 her next birthday  
and seems to be real alert for her  
age.

Most of the Hiers family were  
present. They will help Angelica  
with the Annie Catherine descendants.

Donnie comes home every week-  
end from college Beth has so much

on Sunday afternoons - they don't  
get to go. She is President of our  
church youth and they have handbell  
practice every Sunday - Afternoons.  
Joe staid home with them last  
year. I may have to go down alone.  
Better close and write a  
few more.

Love,  
Winnie
