Dear Sir,

Thank you so very much for your response to my inquiry concerning my Folk ancestors of South Carolina. I find it most interesting that your John Jacob Folk (1845-1918) was in Texas at the same time my David Folk was there. I have been unable to determine his whereabouts in 1870 but in 1880 he was in Freestone County, Texas.

According to your letter, John Jacob Folk returned to South Carolina after the death of his first wife. Then you go on to say that your mother was born in Orange, Texas 1 December 1894. How was your mother related to John Jacob Folk or was she? Do you have a chart which shows this relationship? I would appreciate it so much if you could share this information with me.

I appreciate the chart which you sent showing the Epling - Folk relationships. Also thank you ~~very~~^{very} much for the Orlander family history.

May I wish you and your family happy holidays. It would be nice to hear from you again. Respectfully,

Mary Weaver Garcia
