Dear "Folks" -

It's almost time for the
"Folk Be-union" - do hope you both
will attend this year.

I was so happy to see you and
others of your mother's family last yr.

Bessie is President this year and
wants one to write & ask you please
give a short devotional or talk this
time. Please let her know. Her name
is Mrs. W. L. Flomen, Church - in
case you've forgotten.

You will receive a card in June. I've
been trying to find out whether we'll
use Memorial Sted or Nat. depends
on whether the gates are unlocked.

Anyway we can use the Grange Bldg.
at Oakton. The place will be decided
on when Elizabeth (my daughter) sends
out the cards.

Winnie & Ernest make their home at
your uncle Joe's since his wife passed
away last May.

(over)

Edith, Elizabeth + I were at Bluffton
last Summer + over at Hilton Hd.

most every day but rained so hard
missed seeing you. Elizabeth + Julian
spend some time at Hilton Hd - every
Summer. On acct. of illness + death
in his family, can't plan their early
Julian likes to take his boat (really
most nice). They have 3 sons, one
is 16 or was in Sept, one was 12 yrs -
old + youngest is 7. They love +
enjoy it there so much.

How my father would have
been so proud of his 3 ^{great} grandsons
in the ministry. He named his sons
to be the first three for Preachers. They
are fine Christian workers but not
one entered the ministry. Forgot
Aubrey (Aubrey's) is Grand-son and
Bapt. Preacher at Augusta.

Please come if you can. We usually
go over at 12. Last yr. we waited per
12:50-7, so had our business before denotical
last year. Love - Edith Jack Jerry.
