Dear June.

Thank you for your letter. Enclosed is the info you requested from The McKean Greene Bible, which is in possession of my Uncle John Greene in Mobile. He is 88 & just had a stroke about a month ago.

Your check is being returned. It is my pleasure to share info with those who are interested. I am trying to get as much info as possible on descendants of McKean Greene & Francis Dubois Greene, his 2^d wife. Would appreciate getting your lineage & if you know descendants of his other children, I would like to have their names & addresses.

Will be pleased to share my data with you.

With best wishes,
Learner

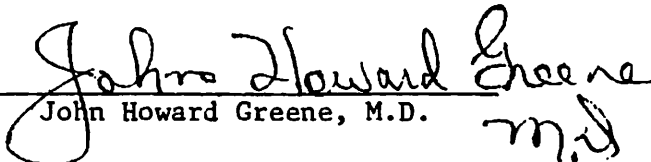

Sincerely,
John
