Dear Robert -

I have been re-reading  
Theycenet Transactions, No. 87,  
your "Trinidad Plantation  
Journal", p 66.

In foot note 9, Ely. Robert  
Trinidad and Rev. Scott; their  
son, Abraham Marshall Scott, served  
two terms as 6<sup>th</sup> Gov of Miss - 1831, -1833.

That (1833) date hung a bell -  
so I've been looking thru my own  
family (of Miss.) notes and found  
that the 7<sup>th</sup> Gov. of Miss. was  
Thomas G. Runnels 1833 - 1835,  
a brother to Benjamin Runnels Hall,  
my G. G. grandfather -

I still believe that genealogical  
research is the most interesting  
work one can do - I put it all  
away, then when I feel I need -  
a rest, I start over again

As your articles are so  
very interesting - I truly  
enjoy reading and re-reading

them - I truly wish I had your  
gift!

This summer Bob took  
Scott Lawton Phillips, our youngest  
grandchild, to the Artie Circle, fishing -  
they had a wonderful time - one to be  
remembered - he took Artie, the  
brother, last summer -

I had to see Tom Lawrence's son  
was chosen, from Cincinnati, to go  
to France last summer - what a nice  
hon.

Hope you and Miss Cora  
well - remember us to  
her -

Many greetings,  
Yours Lawton
