Dear Cousin Robert,

Thank you for your kind letter giving me so much needed information.

I am enclosing my check for \$55.00 and will you be able to send me two copies of OUR FAMILY CIRCLE. I have among my valuables your 1970 speech "Tales of Ante Bellum Hilton Head Island Families".

Right now I am working on papers for First Families of S. C. and it is surely interesting to work with. Think it is only right to tell you I am trying to establish my line from the following beginning: On page 205 of OUR FAMILY CIRCLE "Children of Elias Gabriel Jaudon and Sarah Chovin" My grandmother, Susan Jenkins Richardson, was the youngest child of Martha Ann Jaudon who married (Benjamin) William Jenkins.

Mrs. P. Eugene Brabham in Bamberg is one of relatives I have met and enjoyed so much. She and I both have Martha Ann Jaudon and William Jenkins to work from. Her grandfather was their third child from the oldest and my grandmother was the youngest of ten children. I only hope to learn lots more than I know now although I worked with my aunt many years ago and she put the "bug" on me!

I am employed as Secretary to the Minister of Trenholm Road UMC here in Columbia...work only part-time - 4 hours a day. Just so you have some idea about me. I have one son 25 - and my husband is from Switzerland and is in the real estate business in Columbia.

Surely look forward to hearing from you and thank you so much for your help in this matter.

Sincerely,

Cousin Sue Kaufmann
