Dear Dr. Peeples,

I talked with you this morning about ordering the book, Our Family Circle. I am enclosing a check for \$28.50. Please send it to:

Mrs. Bernd Fossum
6611 Reynard Dr.
Springfield, VA 22152

I am enclosing copies of my Family Data Sheets and some other information from cemetery records and census reports which may be helpful in "fitting me in" to the proper branch of the family tree. I am also enclosing a copy of the Bible Records that I found at DAR library that I feel quite sure are my family. The more recent information overlaps records handed down to me from my grandmother. Her mother was Jane Elizabeth DaCosta who is listed in the Bible records.

I would really appreciate any information that you could give me that would help me establish whether (or not) Elias G. Jaudon in Our Family Circle is the Elias G. Jaudon who my ancestor Margrett Jaudon named as her father.

Yours truly,

Linda Fossum
