Dear Cousin Robert Peeples,

I cant imagine my waiting this long to answer your kind and informative letter about BEN JAUDON, - but I cant find a copy, --so I must not have written!!

Thank you again for the information ~~...~~ About BEN JAUDONs children, their proper names and dates of birth.

I have a few more copies of MEMOIRS, John Hill Luther Anne Jaudon Luther. (I had 50 copies made). I will send the two books as you suggest, and thank you.

I have TRANSACTIONS no. 87, and find it most interesting but highly technical! I have renewed my membership in the South Carolina Huguenots.

You and Miss Cora might get a smile over the cowboy, that is a picture of the Cowboy Fiddler, that I used when I went to the Texas schools with my marionettes, for 30 years. I played my violin above him, as he played, and my foot tapped his foot!

Sorr, I cannot be with you for the Huguenot Assembly of South Carolina, soon to be.

Cordially,

Cousin *Doris*
