RE: The Southern Company Dividend Reinvestment and  
Stock Purchase Plan

Dear Mrs. Peebles:

Thank you for your recent letter regarding dividends on shares purchased for you under the terms of the subject Plan. In accordance with the provisions of the Plan, dividends on shares held for you in the Plan are not paid to you in cash but are automatically reinvested in additional shares of The Southern Company. These dividends, as well as the shares purchased, are reflected on the quarterly statements mailed to all participants in the Plan. If you wish to receive your dividends in cash, it will be necessary for you to instruct us in writing to withdraw your full shares from the Plan and issue a certificate in your name.

Your 100 shares you presently hold have been set for 50% reinvestment.

If you have any further questions with respect to the operation of this Plan, please let us know.

Sincerely yours,

*Lisa R. Smith*
