H While at hardeevile under Capt. Elliot in the B, V.A.'s , Judson lawton

Henry Chovin and I think John Oswald were sent by Capt. Elliot to gethorses

to go on a raidon Port Royal Island, we took train for Coosawhachie where Gen

R.E.Lee had his Headquarters, Judson Lawton asked Gen. Lee to furnish them wi

with horses to come to Lawtonville to get their own horses to use on the raid

and his reply was that hehad none to furnish us, that he was indebted to farm

ers around him for hauling his wood for him as he had only his one horse, he

said he would be only too glad to do it for them, then explained circumstance

They then walkesd and got home the best way they could. We got our horses and

went back towards Port Rouyal but not knowing the way so well we were delayed

, got there just after the company had crossed the river, were persuaded not

to go further, this was after the war was going on sonme six or seven months

and we were very anxious to proceed but were unable to do so .I remember seei

ing more dead at Staffords Crooss Roads than any where during the war. It was

while there we captured someUnion soldiers, a fellow by name of Pinckney and

one other and myself had captured some Union prisoners , carryingthem to Gen.

Rev. John Morrison of Lawtonville S.C. told Judsaon Lawton of a Lawton wha fought in the War of 1776 to 1783. in History That a British soldier who was wounded was captured by the Lawton and cared for until he got on his feet and was freed, afterwards the Lawton was captured by the British and was about to be hung when this British soldier recognized him Lawton and told his men how good he had been to him and that saved his life.
