Dear Sir,

I am so thrilled that you wrote to me. You saved me a lot of leg work, that as you know, I can't do much of at this time. I was hoping someone could help me stay on a straight line, with this family, as it seems every boy just about had the same name.

Bill said to tell you to please accept his dollar toward the memorial. It seems that the Kewtons went from England to Scotland. Am I right? I know there were three brothers who came from Scotland. I think my husband's line is from Thomas Kewton.

We would like very much to come to the reunion in June if Bill can take the time off from the Police Dept here.

Your letter was wonderful, and you should be very proud. Your Cousin Sidney, seems to be a very sweet person. She has

helped me so much, and been so patient with me. She is so smart too. She knew the exact book I was speaking of in the library. Any mistakes that I make please you two correct me, as I still have a memory problem, and sometimes my thoughts run too fast.

My husband's <sup>great</sup> grandfather was William Benjamin Lawton who fought in the Civil War. I think his father was Peter. Peter's great grandfather was Nicolas Benjamin Lawton who had a son named William Preston Lawton. I hope I am on a straight line so far.

I hope to check in Edinburgh Scotland where Mr. Lawton said his people are from. I am sure off of these three brothers we have to be related somehow.

Please read the information I have on these three brothers.

I did not realize until I came home from the library that I

Cut some of George Lawton off. I will copy again.

When my husband asked me to marry him, he said all he had was his name & his credit!

We are both Baptist, and Bill will be 48 the 50<sup>th</sup> of Dec, and I will be 40, the 14<sup>th</sup> of Dec.

My family is the Stuckey Candy family. Congressman Bill Stuckey of Atlanta is my cousin. On my father's side we are Cheokee from Orangeburg S.C. My sister, and I have written 3 books so far, but as you know, none are ever finished. I am the president of the U.D.C here at the beach & I love it so much. There is a Lawton buried at Andersonville Cemetary outside Macon Ga. I forget the name, but I think he was from the north. The Lawton family also married into the Solomon Henry Morgan family. He was b in 1850 in Screven Co. Ga. I hope to hear from you again,

and if Bill & I can help you  
in any way, please write, and  
let us know. I hope to hear  
from you again on this.
