Dear Cousins,

How are you? We are well.

I have been going through my old genealogy files and have discovered what little I have on the Morrison family, or the Lawton & Stoney families. Can you help fill in the blanks on the enclosed group sheets? After all, I am named after John Lawton and I have pictures of him and Frances Agatha, yet I don't know much about him and his family. I also have a picture of Cornelius Stoney, whom I believe was my father's uncle.

I got a card from cousin Sidney Bidez the other day.

also, do you know Thomas O. Lawton, III? He was at U of S.C. several years ago and received a scholarship from the S.C. Historical Society.

Well, I hope to hear from you soon.

Regards,

John & Ellen Morrison
