Dear Martha

I think I have hit the jack pot on the old Addison house, I found a person over at Johnston who had the negative, so I sent the negative off myself seeing tracks of so much meaning, so this picture will not have to be mailed back, of course she can have as many made from this as we can send the negative for more.

Tell Mrs. Gibson there will be no charges as all I am out is postage for 3 or 4 letters, and going over to Johnston for the negative & returning the negative, you may mail the picture you have directly to Mrs. Pierce if you like.

I think you or Mrs. Gibson should write a note of thanks to Mrs. E. C. Doscher 81 2 Academy St. Johnston, S.C. for use of the negative

Hoping this picture will serve Mrs. Gibsons purpose, also hope all of you are getting along fine.
