Dear Robert —

'Scuse the mess — been trying to do too much today! Anyway, here's what I have on hand — will try to fill in the remaining blanks for you, if possible, except that I'd have no one to contact about

Wm. Alexander's death date —
Will inquire around about Belle's name
& I believe there's a possibility I can
get the complete dates for Anna Cornelia
& Andrew Broades Estes. Will try anyway.
Hurryingly & with love & blessings —
Emille

Do you plan to carry the gen. data past this generation?
