After an hiatus, the booklet LAYMAN - LEHMAN RECORDS AND LINES is in print again. Thank you for your contributions.

Material that has been contributed will eventually be published. In order to keep the information diverse, I sort through the material and print items concerning as many different areas as possible. Are there Bible records that you wish to share? They are so important to record for others to see.

Researchers have written to me that in this booklet series they have found information about their ancestors! It is very encouraging to read their letters and notes.

As you read the branches, you can see what information is needed by the contributors for their genealogy. In a way, the branches could be considered as part of the QUERY Section. I hope other researchers will continue to help each other collect the additional data.

Please read the article on page 17 written by Harvey Lhamon. It really brings home to me that in my research I must look for every spelling variant that I can think of and then some. Do you ever wonder how our German or Swiss ancestor's name was really spelled?

How do you say your ancestor's name? Do you, for instance, pronounce the "e" or the "a" only in Leaman? What about Lehman? How do you pronounce it? Why is Lehman of the brokerage firm Shearson, Lehman (etc.) pronounced as if the name was Leeman? I say Layman for Lehman because Layman is an anglicized version of Lehman. Is the spoken Layman also an Anglo-American word for other written versions of our name? Questions, Questions....

As I complete writing this Preface, which is the very last page that is entered in my computer, the thought occurs to me that you might like to know what software I use to prepare this booklet. For word processing, I am currently using WordStar Profession 4 and indexing with the same version. I do not care for some of the features of WordStar 5.0. In time, I hope to use WordPerfect 5 which I do have and know that it does wonderful "things". I have not had time to learn the program! My computer is a Leading Edge Model "D" Personal Computer with MS-DOS; it has a 20 megabyte hard disk, 1 floppy disk drive and 640K RAM.

Leaving you with the words of the motto written above, we do look back, look on and look forward in our genealogical search.

Best wishes,

Laurine

PENNSYLVANIA --- LANCASTER COUNTY

The following will was contributed by Evelyn R. Frantz  
217 Fairington Ct. #17, Lafayette, In 47905

This will was included in the book, A Brief History of The Lehman Family and Genealogical Register of the Descendants of PETER LEHMAN of Lancaster County, Pennsylvania with Data for several other Collateral Families, comp. by Howard Lehman Spessard of Hagerstown, MD, 1961. -----Editor: This book was listed in the Layman/Lehman Bibliography section of volume II of Layman-Lehman Records and Lines.

Will of PETER LEMAN, Lancaster Co. Penn., Will Book X, vol. 2, p. 394  
Will dated: 18 July 1744 -- Will probated 27 April 1749

"Anno 1744 the 18th day of July have I PETER LEMAN made my last will and testament, how it shall be made after my decease: First it is my will that my wife shall stay on my plantation and she shall raise up the children as good as she can. But the land and the tenements and the land which I have bought in the Manor, all that lands shall have the three sons named Henry LICHTY, Jacob LEMAN and John LEMAN,

and the the land shall be praised when the said sons are upon their ages, and if I should die in case my wife Magdalene should marry again then the man she married shall have no shear of the said land and the children shall be heirs one like the other, my step children like my own children and they shall shear and shear alike.

But in case, if one of the said sons what do no good or foller what he is commanted then the said son shall have no shear of the said land and my wife Magdalene shall have the thirth part of all my estate and she shall lieve in the house as long as lieve and non of the children shall drife her away and if the mother should dye that the children shall be heirs to the mother.

Witnesses: Jost Mosser [signed] Peter Leman  
John Mosser"

Peter's estate inventory: 18 April 1748, was 333 pounds, 6 shillings, 6 pence.

Editor's note: The author, Mr. Spessard, wrote that Peter LEHMAN, above, had 2 children by his 1st marriage, a son Jacob who d. young and dau. Barbara who m. Daniel Beidler of Hellam Twp. York Co. PA. Peter's 2nd wife, Magdalena Light had 2 children by her former marriage, a son Henry Light and dau. Margaret ("Cradle") Light who m. Adam Zell of Caernarvon Twp. Peter LEHMAN & his 2nd wife Magdalena were the parents of 1 son, Johannes b. 25 Dec 1743, who was age 5 when his father died.

The author further states that in deed (Deed Book WW p.68) of 16 June 1760 Henry Light purchased land from Daniel Beidler & wife Barbara (Lehman) and from Adam Zell & wife Margaret (Light). The author said that this indicates Peter LEHMAN's widow, Magdalena, had already died. Final settlement of Peter's estate could not be settled until his youngest son, John LEHMAN, became of age. The author states " Peter LEHMAN's son Jacob had already died 'intestate in his minority, unmarried, and without issue'."

Final settlement of Peter LEHMAN's estate was made 14 Nov. 1766 when his youngest son John was 23 years of age. The author continues his story about this youngest son John LEHMAN.

TENNESSEE --- JEFFERSON COUNTY

Mrs. Emma L. Smith, 6555 Manson Dr., Waterford, MI 48095,  
has made the following comment:

The newspaper, Cocke County Banner of Newport, TN, had DAVID "LAMON's" will abstract in an article about JACOB LAYMAN - Revolutionary Soldier and did not include all of the 9 children. Daniel, Abraham & Isaac, were left out of the newspaper story. Mrs. Smith has a copy of the will. The newspaper article was published verbatim in vol. Laurine, your editor, while visiting/researching in Knoxville, TN in 1988 recorded in her handwriting the same will & double-checked it in 1990. (no photocopy machine available). See the "Source" listed at the end.

Dr. Delbert L. Gratz, Librarian Emeritus, of the Mennonite Historical Library, Bluffton College, Bluffton, Ohio 45817, is generously providing this material for publication in Layman-Lehman Records And Lines. He is transliterating and translating from a document of which he has a photocopy which gives all of the Lehman families (familywise) who were Täufer (Mennonites) citizens of the parish of Langnau i.e. Canton Bern who were living in Jura during time of 1780-1850.

Dr. Gratz writes: "These names of places given are all in Canton Bern. There are between 40 and 50 LEHMAN families that are given in much the same manner, most of whom emigrated to Ohio and Indiana, 1820-60."

Mr. Harvey Lhamon sent in the following article. His branch, # 17, is printed on page 31 of this volume.

A FEW WORDS ABOUT THE LHAMON / LEHMAN NAME

Russell S. Armentrout in his book, Armentrout Family History 1739--1978, has a very good explanation of how our name is spelled in so many different ways. Following is a copy of his work.

"This name appears as Layman, Lehman, Laman, Lemon and other variations. It apparently is all from the same family and a German name. Depending upon who was writing it, the name had many variations. Clerks and cen. enumerators probably spelled it phonetically and it came out with some version of Lemon, while the German appears to have been Layman or Lehman. This happened to many German names in an English governed Colony where the records were kept in English."

When I started researching our family name--LHAMON, I really was as confused as one can get. The name Lhamon first appears in the Rockingham county, Virginia 1820 census. Some of our descendants name were spelled as LAIMAN also. Previous to that all the spellings were LAMAN/ LEMON/ LEMMON/ and LEAMAN. When Abraham and Elizabeth moved to Knox county, Ohio in about 1823 the records show that their names were spelled as LAYMAN and LAHMON or LAHMAN.

My great, great grandfather Peter, who was the son of Abraham and Elizabeth, moved to Adams county, Indiana in 1838 from Knox county, Ohio. He had married Mary Ann Stover in 1831. The marriage records show that they were spelling their name as Layman. However, in Indiana the land records and wills show that the name was spelled as Lamon/ Lehman/ Lahmon and Lhamon. One interesting point is that on Peters grave stone the name is LEHAMON. And his wife Mary Ann who died two years later, her grave stone inscriptions reads--MARY ANN LHAMON wife of PETER, 1854. I thought that was unusual because they are buried side by side.

Their children have the following grave stone inscriptions. ABRAHAM LEHMAN, ENOS LEMON, DAYTON LAHMON, WILLIAM LHAMON and THOMAS LHAMON. A father and five sons with the last name spelled five different ways is what is really so confusing. But the spelling has continued to be a problem up to the present day. In our family tree we still have different spellings up to one generation ago.

I have read where the LEHMAN/LEAMAN name is named after Lake Leaman in Switzerland. That is Lake Geneva on the French side. More research will have to be done on the family name and crest.

The above information compiled by Harvey Lhamon, 4621 South Star Dr., Marion, Indiana 46953.

The following section is of great value to all researchers with the same surname in common. Here is a chance to connect to a branch that has already been published.

If you have not sent in yours, it is to your advantage to do so as soon as possible. Do not wait until your research is "done" before sending your information. Many events may happen that would make it impossible for you to have your LINE published. It is important that we preserve our research data for our future generation.

I welcome your lineages, either in the format that follows, or on family group sheets. It is not how you submit it for publication, but that you DO submit it.

Published branches may be added to or corrected in future volumes. If errors occur in transferring the material to these publications, i.e. typographical errors or omissions, please let me know. The editor does not take responsibility for errors in the research.

Should you contact others who connect to your branch, please inform me so that we can merge the two or more branches.

Cite your sources whenever possible and be detailed as to places so that others may research in depth too.

## IS YOUR LINEAGE PERMANENTLY RECORDED FOR FUTURE GENERATIONS?

Layman - Layman - Records And Lines is a surname booklet series about the LAYMAN-LEHMAN (all spellings) families containing miscellaneous information, branches-lineages, queries and an every name index. Through the combined efforts of the contributors a repository is being created for researchers.

JOIN US!!! There is No Charge and No Purchase of the Booklets is Necessary for you to have your branches, queries and records published in this series. Each issue will be printed on an irregular schedule and will have at least 25 pages plus the every name index.

Please send me copies of any records that you wish to share with others and cite your sources whenever possible. Of great importance are Bible records, old letters, as well as wills, marriages, obituaries, etc.

LAYMAN-LEHMAN (all spellings) branches (lineages) should be sent in on family group sheets or with a computer Genealogy Program group form, starting with your earliest ancestor, continuing on down to yourself. Please, always cite your sources.

Branches will be published in detail down to one generation past where the LAYMAN-LEHMAN name is lost; i.e. the children of a LAYMAN-LEHMAN woman will have their details printed. Thereafter, for each generation, only the vital information for that generation will be printed. Details about the contributor will be printed, including children and grandchildren if they wish. By using this method the majority of the lineage information will be about the LAYMAN-LEHMAN (all spellings) generations.

Branches will be assigned a number as they are published. If your branch connects with another branch and if you so inform the editor, there will be a merger and the earlier branch number will prevail, the latter branch number will be retired.

Time does not permit me to correspond individually with you about ancestral problems and still produce this booklet. Your queries and lineages will be printed in this booklet series where many will see them. The booklets are in various libraries throughout the United States.

Together, we can preserve our heritage, find new cousins and help each other connect the missing links as well as help future researchers.

The booklets are available for a modest publishing fee for each volume. For more information write to:
