

Dear Cousin Maner Lawton,

First, thank you for your kind response to my letter. I see that I had the order of your names wrong. I have corrected it to the same order as that of my father. I am most appreciative of the work that you are doing, and would like to receive the Information that you have outlined. The other 30 families are not of interest.

If you have it, transmission by email (My address is jtonge@hargray.com.) is fine with me. Almost any format for an attached file is OK. I am typing this in MS Word.

I am collecting some more information on birthdays and death dates, but I will give you what I have now through my own generation:
