Dear Miss Cora & Rev. Peeples,

Yes, I did receive your very nice & interesting letter of last August and appreciated it very much, especially when you learn about someone that shares a common ancestor with you. Please forgive me for being so long in replying but I was in the process of having a new Will made among other necessities and my Genealogical work just had to take a back seat.

I am very much interested in this research but like most everyone I don't have enough time to devote to it as I operate a small cattle ranch mostly by myself. Enclosed is some material that may be of interest to you.- I am a descendant of Thomas Richard (Bro. of Lucinda) and his son Joseph J. -- My records show death of Lucinda as being 16 September 1903 (?) I believe that is on her grave marker.

If the enclosed list of children for Obediah & Martha is even close to correct you can tell from looking there must be countless other descendants scattered elsewhere. Here are some others who are working on Obediah White Genealogy:

Rev. Peeples, I would certainly appreciate you conveying to me any new information you might obtain in the future & likewise I would be glad to reimburse any expense incurred. Found your location on the map, looks beautiful next to that blue ocean.

Best of the Holiday Season & may you both have a happy & healthy New Year.

Sincerely,

*Joseph R. Johnston*
