Dear Reverend Peoples,  
I'll try to answer

your letter of 27 Nov., but I'm sorry  
to say I don't know all the answers  
to your questions.

(1) Lucinda B. Shell's middle name  
was Breckinridge for I have seen her  
tombstone which is engraved as such.

(2) I've done some research on the  
Breckinridge family in hopes of de-  
termining a connection, but, alas it  
has been a fruitless search thus far.

(3) James Shell's tombstone gives:  
b 11 Mar 1817 d 8 Dec 1877.

(4) Ann Guffey says that James Shell's  
mother was probably Charity Martin.

(5) Ann Guffey knows more about your  
wife's line of descent than anyone  
I know; her address is 1015 West  
Bearss Ave., #8, Tampa, Fl. 33612.

Ann knows the his-  
tory of the family  
better than anyone  
I suppose. She will  
help, but she works

and has an invalid father to care for.  
Don't be surprised if it takes a  
few months for an answer.

Best wishes in your research.  
I'm sorry to say I can't answer any  
of the other mysteries!

Sincerely,

*Sandra*
