Dear Cousin Robert

Thank you for your letter
Please excuse delay in answering. We are very pleased that you liked 75 King Street.

I can help very little. My records indicate that Burwell McBride's father & his Irish wife landed in Wilmington probably with Flora McDonald in 1773.

Dr. Sampson W. (maybe William) Leith was my great grandfather's uncle. Also Sampson L. Paul's great grandfather married Hannah Leith in Edinburgh where the son who emigrated was born.

I'm sorry that my papers are quite sketchy as to dates and are largely based on memory.

I do have a copy of Our Family Circle.

It was nice to hear from you.

best regards

Charlie Paul
