Dear Rev. Dr.:

I am sending you the enclosed clippings copy which I recieved since I wrote you. I thought they might be of interest to you if you haven't seen them. I hope they may prove helpful.

If I find other information I will of course send it to you promptly and hope something helpful will turn up. I also hope you come up with something that will help me. I hope to go to the S.C. Archives this fall and hope to find something to help me find my great great grand father which family tradition identifies as James M. Kenzie who once lived in the Kershaw district of S.C.

Good luck in your search  
J. A. McKenzie
