Dear Rev. Peoples,

I trust you received the copy of James Leak Sr's Rev. war records and pension. I trust it was what you expected.

We all can assume that Eliza Leitch was James' dau as per the land sale in Laurens, SC by Coleman Miller. I can't see any other way that he could have been able to sell the 24 acres.

Here is a partial list of James + Frances Leak's family. We have no proof in Bible records on his 1st family.

1. James Leak Jr m. Martha Neal (Neill) - 1811  
bi. Feb 1865. d. 1861-9. Laurens S.C.
2. Dau. 1787 could be Eliza Leitch.
3. John 1792
4. William 1800
5. 1802
6. Wesley 1804
7. ? 1806
8. ? 1808
9. ? 1810

This James Jr, Leak is my husband's line. We have James Jr's Bible record but I don't know where James + Frances Sr's Bible

P. 2

records. I only wish S.C. records were a little better on marriages.

Enclosed is a history sheet on the Leak clan as I have today.

I can't seem to get William back to Va. or Md. yet. As you know the surname Leak, Leake, Leek, Leake, Lecke, Lake was the spelling in Colonial Va., Md., N.C. & (S.C. sometimes).

If you have any ideas on these Leaks I am open for ideas.

Best Regards,  
Keep in touch

Sincerely,  
Ezra Reynolds

P.S. If you have Colman or another Milton in your clan please advise.
