

Saturday 1:30 P.M.

Dear Rev & Mrs Peoples,

We are so sorry that we've missed seeing you today. Bill and I have been in Raleigh, N.C. for a week, using their great geneological library, & we decided to stop and see you on our way back to Florida, since we've located some interesting information on the Harris family of North Carolina.

I will try to send you some materials after we get back to Gainesville and find time to sort it all out.

It is so lovely here at Hilton Head!
