DEPARTMENT OF AGRICULTURAL ECONOMICS
AND RURAL SOCIOLOGY

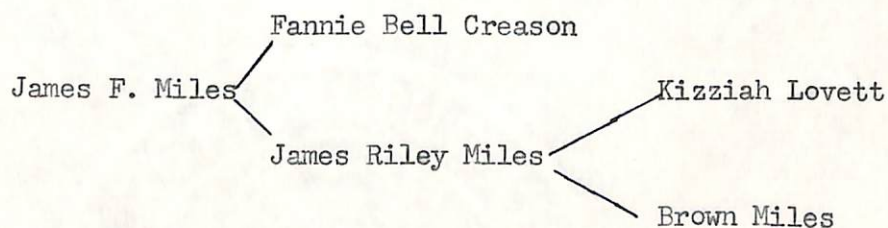

December 30, 1963

Reverend Mr. Robert E. H. Peeples
Folly Beach
Hilton Head Island, South Carolina

Dear Rev. Peeples:

Thank you for your inquiry concerning the MILES FAMILY.
I do not have much of family records. My sister has more,
but she is not at all interested. I am interested but I
have never gone to the trouble to piece the branches of
the family together. May be your records, when published
will help me. I hope they will.

Here is all I know:

I have sought to find more records which I have, to no avail.
If I can furnish other records soon, you will hear form me.

Sincerely yours,

James F. Miles
James F. Miles
Associate Agricultural Economist

P.S. I believe that Mrs. Gordon (Hanckel) Hays
of Charleston (Coburg Dairies) told me at our
last meeting that she had a record of the
MILES FAMILY of which she and Frank and Sonny
Hanckel are descendants. Call her. May be she can help.

Dear Rev. Peeples

*Thank you for the interest shown in your letter of
February 22.*

*Unfortunately, I can be no help in the compilation
of your bibliography. I have no relatives in South
Carolina.*

*My father immigrated either from Russia or from
Poland in the latter part of the nineteenth century.
I do not know what his name actually was; I suspect
that Miles is an Anglicized shortening of his
European name.*

Respectfully yours

N. E. Miles, M.D.

Dear "Cousin Robert,"

Louis handed me your letter this morning, and I hasten to reply to say that he is indeed of the branch you lack - Please hold off a few days and I will gather together and send on to you the needed facts -

as fate would have it, I'm having a guest from Thursday morning thru Sunday, and have put off til today to do many last minute necessities - however, as soon as "Miss Sue" rises, I'm going

to her house and check our
fact and will start writing
as soon as I verify it. In an
old Bible she has (Louis gave
her - her side) I got some dates
from wedding and funeral
notes that it was Ann Jack-
son Day not Regiah Day that
married Jeremiah Mills - I
never corrected Sue (I) ^{now} correct),
foolishly, so feel I must
check fact with Bible and her.

am very pleased you are
doing this wonderful family
work - Please don't let the
S.C.H.S. publish without
us.

We may see you on Sunday
as we have commitments

in Beaufort that day - I hope
so. Would like to put my
information in your hands
myself.

Miss Annie Miller is not
able to do much, so I am
doing it instead of asking her.

Louis didn't know he had
McPherson blood until I
told him - I have a Ladron
line myself - would so
like to see you

Sincerely

Leila LaRoch Wilson Miller

Dear Robert

The S.C. Historical Society is having its Spring meeting, luncheon, and Town tour on Feb. 27th - I believe you and Cora are members and if you are planning to attend, why not come on here after the doings, stay the night, and Louis can take us to the old Miles' graveyard that Sunday. We can always attend early church, or not, just as you wish.

We don't have a glamorous guest suite, but I can put you up very comfortably, and privately, in what

13
I call "the girls' dormitory" up stairs -
If you prefer separate beds, (as
Louis and I do) say so, and a
comfortable "single" can be rolled
in without any trouble at all.

Do hope you can come - I've
been wanting you, and so
many things turn up, one af-
ter the other. I'm back from my
Texas trip, where I welcomed and
approved of my first grand-daughter
after three grand sons. She has
been named for my mother,
Anne Barnwell - nice, eh?

Sincerely

Dear Bob -

Am much impressed with your contribution to the S.C. Old & magazine - it is even more impressive in print than in manuscript.

I do wonder how many issues they will divide the work into. (Very poor grammar - I do know better!)

Still haven't been able to get location of grave yard from Mr. McPherson. His father's visit in October didn't materialize. Am still hoping, and will send for you as soon as we hear. Had hoped the trip could be combined with Georgetown trip next week - alas! Keep an eye out for me - plan to go.

as ever

Dear Mr. Peeples:

Thank you, very much for the fine work you have done for the Miles family. I was deeply touched that you recorded the work done by precious aunt Eliza Smith Miles, as to the mention of my name, I think I will have to get a new hat.

If possible, will you get for me a copy of the "Miles crest" described in the genealogy.
you + Miss Cava must come to see me,
My love to you both.

Sincerely
Sue L. Miles

Dear Cora and Bob,

The heading to this letter should be "North Pole" according to the feel of things outside. But, this too will pass! Mrs Pryor tells me the Annual Spring (Spring?) Historical Society meeting, lunch, etc. will be on Feb-26 - now, if you know the accommodations, food, and host and hostess, so if you can take us and it again, Louis and I both would love to have you stay with us as you did last year - Cora, let's stay well this time how about it! Really, we would very much like to have you again.

Only news on old Mr. McP. is that he is coming at Easter - time - I do have a Lamb - Perry grave -

yard, small, accessible and near,
if you are interested, and Louis
can take you to the miles graves
if it isn't too wet - I thought you'd
seen both of the dl's, but he
thinks you have not -

Bob, if you are still organist,
do get someone to fill in for
you for this one Sunday -
make a tape, play a record, but
do come -

affectionately

Leila Miles

Dear Dr. Peeples,

My Aunt Lucie gave me your address before she died. My maiden name is Miles. I am interested in finding out any information on the Miles family in South Carolina. My dad was William Henry Miles of West Columbia, South Carolina. I still have some cousins there who were children of his brother Wade Hampton Miles.

If you do not have any information, I would appreciate your putting me in touch with anyone who could help me.

Thank you for your help in this matter, since I am greatly interested in the Miles' families.

Sincerely,

Leida M. Hull
