Dear Cora & Bob:-

Thank you for your letters- your visit was a joy to us and you must come again. Above inscriptions you requested. I visited the church yesterday and found the door open- the church is just lovely, you will have to see it. I picked up the enclosed bulletin for you. Annie Bryson drove up with me.

After visiting the church we saw the play "Harvey" at Flat Rock Playhouse. It was very good. Before curtain time, standing outside I heard someone say 'Maner Tonge, I know him'. (Maner wasn't with me) I looked over to the table with the Register and saw Eula Lawton King and her sister Mary Lawton Seydel, they were reading the register to see who they might know. We had a good visit and plan to see them again at Cashiers, N.C. while they are up there visiting Laurita Lawton (widow of John King Lawton) and their brother Jock Lawton & his family.

We were distressed to see in the State newspaper of the death of Bess Kirkland Tatum (Mrs. John May Tatum), of Bamberg, S.C.

The Family Book- you have tossed it back in my lap- and I don't have the time to give to such a project- and so much additional data to gather before it can be started.

Maner is playing golf and I must get several projects accomplished before his return..... I visited briefly yesterday with the Grahams in Tryon and carried a pound cake to them in return for those wonderful vegetables they gave us the Saturday before. They asked about you & said how much they enjoyed meeting you.

Love,

*Alie*

*Ms. Mon. will pick up your picture mail to you. This A.M. I got in A.*
