Dear Bob,

Thank you for your nice and encouraging letter- I do appreciate same- I was lucky- had to go to Atlanta and whilst I was there Jack Ladson had to come see his DR- turns out he has a hiatal Hernia- and probably did not have to have the gall bladder out after all- but its out- and in the process thereof Jack has lost 50 lbs and looks marvelous-

He helped me with my material- and told me to go to Atlanta library and hunt some info- I did and found those SC gen. Mags and I did find much on Jonathan Norton and even his marriage to Mary Ann Chaplin- which mentions that she was daughter of Phebe and John Chaplin-

I did not find Wm Nortons will, of Robert Godfrey Norton his son who married Sarah Mosse his first cousin but hope Jack can in his vast library- *now to Wm's marriage to Mary Godfrey*

I did find the references to John Norton who married Sarah Fitch- (father and mother of Jonathan) and made photostats of everything I found- I sure do hope I will now be OK-

It is fascinating how REAL those people become to you-

My friend says she now has everything she needs re the Colonial Dames bit (5 letters-) was lucky enough to find Eva Barry here as an ex pres of the Dames (she is the sister in law of my cousin Eliz Norton Turner) and she asked Va. Lawrence Parker from Savannah- so I do hope that part is all in order for the Oct meeting and that I will receive the invite and can then send in the papers- my friend Eleanor Jackson Burleson (daughter of a Bishop and my St Marys classmate says she had to go to a geneo-

logist- that the D^{ames} told her to go to one- (she is descended from John Rolfe- of pocahontas fame)

i loved your comment that we can prove our pedigree. just hope can prove it to the Dames satisfaction and the First F_{amilies}- shall send my papers to you as soon as I get em back from Jack - Jack says you are such a wonderful genealogist- he has such high praise for you. He said he has never been able to find COTTISTOCK in England wh re the old Norton house is(he said he heard from the man who lives in it) but I told him I wondered if it could be CATTISTOCK- have you been watching TO THE MANOR BORN- in one episode i saw a sign on a Road saying CATTISTOCK-

I would love to go to England and see the house someday- I did so love going to Barbadoes and seeing the old records of George Norton and John who sold out there when his father died*But I could find nothing on his mother or sister Mary- Jack does have info going back before Geo went to Barbadoes tho-(I looked up Barbados- can be spelled both ways in my Dic) will saw off and will write again later

hug. Miss Cora for me-

Very Fondly
