Dear Rev. & Mrs. Peebles:

I am researching the line of Dudley Peebles and I while at our local library here in Waco, Texas a Mr. E. E. Moore from Ben Hur, Texas noticed my name & he came over & we were both rather excited by the time we parted! So - to make a long story short we believe we are all related! He was kind enough to allow me to view his book "Peebles - Ante 1600 - 1962" and I would love to own one. I am enclosing my check & should the amount not cover the cost please let me know.

At this point I think our line ties into Joseph & Mary Peebles thru Sterling Peebles who had a son, Dudley

Robinson Peeble.

Dudley I think, could be father of William (Bill) Peeble (Peeple) who ~~was~~ is father of Thomas Peeble, who is the father of Samuel Lee Alpha Peeble, who is father of Archie Eugene Peeple who is father of my children. Archie Eugene is deceased.

According to our family tradition there were four (4) brothers from N.C. who had an argument and split up <sup>some</sup> changing the name at this time to Peeple from Peeble.

Thanking you in advance!  
Very truly yours  
Kathy Kemp

P.S. I'm going into Miss & Lenn in a week - will this be enough time to receive the book? Thanks again!  
Kathy
