Dear Dr. Peeples,

I am a descendant of Lydia Peebles Hasty born @1749. She married my ggggrandfather, Mathews Hasty @1773 and they resided in Martin County, NC around 1800. She made a will in Martin County, NC, November 13,1812. Lydia stated in her will that she left her monies in the form of shillings. She left her negroes and land to be sold and the monies equally divided. It also indicated that Peebles Hasty be compensated for his trouble being at a distance which reflects that he had moved away, (Anson County, NC). As best I can tell Mathews came from James Hasty in Southampton, VA but I haven't been able to find anything on Lydia Peebles. I'm hoping your book will help me out.

Enclosed is a check for \$28.50 for the book you have written "Peebles Ante 1600 – 1962".

Sincerely,

David C. Thomas
