Dear Mr. Bob,

Thanks for your most interesting letter about the Peoples Book. I have just ordered it. Miss Margaret also wrote me such a sweet note. Have kept up through the year about you but didn't know until now where you were located. May I say I'm very proud of you as I know your mother is also, as to how well you have done in life. Years ago in Charleston I used to think what a wonderful minister you would ~~make~~ ~~and~~ ~~in~~ ~~sure~~ ~~that~~ ~~it~~ ~~is~~ true now. It ~~will~~ ~~be~~ ~~no~~ ~~use~~ to have a Genealogy on the Peoples. My Aunt Gene + Green married Aunt (Mrs. Hester + Nat) in Danbury get their heads together and discussed that our great great grand mother was the same

person Sarah Peoples (Hovannah)
 my Aunt passed away last
 January and left me so many wonderful
 family antiques among them a
 sewing table belonging to Sarah
 Peoples. Would love for you, the
 Mrs's + Miss Margaret to see it. Am very
 proud of it. On my own side I
 have a genealogy of the Hammonds
 that ancestor arrived in Boston on
 the ship Griffin in 1634. Because of
 my children & wife he glad to have
 both sides. We seldom get to either
 any more. Gene has worked for
 the past 12 yrs for Dupont on
 shift work so it's hard to plan anything.
 If its possible at Christmas time we
 would like to come down to see
 you all and hear about the book.
 Also if you all could come up
 to see us we'd be so delighted
 to have you. The day your letter
 arrived my son returned home
 just for that day back to show
 Lield. He's been in Key West.
 Enjoyed your bulletins that

is my job in our church (Presbyterian).
 I know you two have enjoyed
 entertaining some of the family on
 Thanks giving. I am sure we all
 more reunions. As a child I have
 so many pleasant memories of our
 own family reunions in Beech Island.
 Maybe what we all need is some
 good old Revivals in lots of things that
 seem to be passing out of the picture.

Thanks again for writing
 me about the book. Now I am
 eagerly anticipating it's arrival.
 May the coming holiday
 be the best ever.

Sincerely,
 Stella D.

Dear Dr. Peoples,

We have been at the Moots all day and I suddenly realized that I haven't answered your letter.

As I have to help decorate the tables at the yacht club, I think it best if we plan to meet after the luncheon to compare notes. I think I have all or most of the information which you want.

Also, since I sent the genealogy to you, I have received information on Edward Hayden Peoples from his daughter - have not had time to get it typed yet but perhaps between now and the luncheon I will get around to it.

Pete joins me in sending best regards to you and Miss Cora and we look forward to seeing you in Charleston.

Devotedly,

Dear Robert,

Happy New Year!!!

I hope 1984 is a very good one for you and Cora.

I'm sorry to be so long with this but it was very difficult for me to put all the information together, the way it was sent to me.

My work at the office was extremely heavy last year which slowed me down terrifically so it took me a long time.

Fortunately, my daughter Vicky could type this for me, but she works and has three children and a husband so her time is limited.

But now it is finished altho I only put names, dates and places. If I had put down all that some sent me, it would have made a book all by itself. I hope everyone will be satisfied with what I have done.

Take care. I hope to see you and Cora in June.

Please let me know if we can get a copy of "Transactions II"

Love,
Sidney

Dear Coia and Robert,

I wondered if you knew that our dear Arthur Morrison Martin died on New Year's Eve? He will be sorely missed.

I also wondered if you received the pictures of Benj. T. D. Lawton's grave in Albany, Ga. that I sent you, in ~~September~~ ^{November}, I think. I hope you have a wonderful 1983.

lots of love,
Sidney

Dear Mr. Peoples,

I am enclosing genealogy on Benjamin
Willingham Peoples' family. I'm still working
on the other lines. Hope I can get this
information before too long.

Have just enjoyed reading Miss Cora's
article on John Rutledge of South Carolina
in the D & B Magazine. It was beautifully
done.

Hope you are back well - I hope to
see you at First Families of South Carolina
meeting in Charleston in April.

Will let you hear more from me later -

Devotedly,
Laid

Dear Dr. Davidson,

I have gone through all of Mother's papers. I am very sorry that I find nothing that I think will interest you. I found that Catherine McBride (father, Alexander McBride) married John Peebles in 1776 at McBride's Ford, S.C. They had 6 daughters and one son, Jesse. One of their daughters, Rebecca, 1794-post 1868 married Burwell McBride 1787-1857. Their children were Clara married a Mr. Paul; Isabella married a Mr. Tweedy; another daughter married John W. Hill; and a son, William. I imagine that this is the William in whom you are interested. I know nothing about him.

My mother was descended from Levicey and my father from Jesse, both of whom are children of John and Catherine and so I am very interested in the McBrides from Catherine back.

I do have the names and dates of Catherine's children and will be glad to send them to you if you want them. If there is anything that you would like me to search for in the Georgia Historical Library here, I shall be happy to do it for I enjoy research.

Sincerely yours,

Betty Brannen
