Dear Cousin Robert and Miss Cora,

Thank you both for coming to see us! We were so honored — and proud! We had a wonderful time with you too.

Thank you for the FIGS, Plant and Book. The figs lasted a FEW days and were greatly enjoyed — the plant is on our window sill in the eating area where we enjoy it every day. The book was so attractive — and also the little church bulletin from "Church of the Cross" — Bluffton. Do you wish me to return that to you?

Hope you survived "California Dreaming" restaurant. Next time — we will go to the opposite place — so please do come again!

Our genealogical <sup>Columbia</sup> Chapter met yesterday (2<sup>nd</sup> Sunday) at the Archives — Bill Huggins of the State Paper is a member. I had copied the information about your Peebles/Peebles, etc book — and took him to see — he was very nice — so we will be on the lookout for it. Apparently someone handled what you wrote and did not understand what it was. Well — we will SEE!

This week is shaping up — BUSY! I had a call this AM from a lady I visited after her mastectomy and she wanted me to take her to the "Jorne Boutique" for her prosthesis — it took 2 1/2 hours — and Jack was expecting me back in 1 hour — so — here we go —

I believe Judson is at Hilton Head Island this week for a few days - with her friends - a couple retired - the Longs. They are nice people.

There were lots of "areas" I wanted to talk about - but, somehow - time slipped away - and when I was enjoying myself so - golly - I forgot it! Isn't that terrible?

Miss Cora, you looked so lovely in your green dress!! It was a beautiful dress! Also - had my mind been "washing" I would have given you your two jars back - plus the plastic container. I will save 'em for you - if you want me to.

I'm heading back to the Archives this week one day - looks as if it will be Thursday - and I'll give another search for "Coleman" - so, cross your fingers.

Well, I'd better stop this. Please come + see us again - ANYtime! We enjoyed your visit so much.

Sincerely,  
Sue Kaufmann

Dear Cousin Robert + Miss Cora,

Seeing you two made us  
all three HAPPY!

It was a very interesting  
Reunion - we thought. The  
programs were nice, the food  
was excellent - and the fellowship  
was 100%. Such a lovely  
assembly of people!

Enclosed is a Feeble attempt  
of mine as regards MILAM -  
probably not helpful - but  
the only cemetery records I've  
checked have been WPA - there  
may be others - I'll surely  
find out - one of the members  
of Cola Chapter of Genealogy

Society has done lots of  
Research in Lawrence County -  
So I'm going to ask her for  
other suggestions - or maybe you  
can see me yourself. We'll be  
happy to "search".  
Wasn't the program interesting?  
Such a book! and it was  
presented so well. Hope enough  
people give money to defray  
some of the expense.  
Gordon + Susan (from Atlanta)  
are coming to Hilton Head the  
week of July 4<sup>th</sup>. She said  
to be sure and tell you how  
lovely your relations were -  
she was glad they liked

the house.

I thoroughly enjoyed meeting  
Mr & Mrs. C. W. Payne from  
Macon, Ga. They both have  
relatives I know in Columbia.  
I believe it was their first reunion.

You all stay cool (if you can)  
and hope we soon have some  
much needed rain - we've  
missed rain every day in  
June so far.

Miss Cox does such a good  
job of a difficult one for  
the Association - thank her.

Let me know what I can  
do to help - anytime.

P.S. I'm attending Workshop for  
SC Genealogy Soc - July 14 - <sup>Columbia</sup> <sup>College</sup> (3rd year!)  
Love,  
Sue Kaufmann
