Dear Bob:

I have just recorded
from misc notes, the name
of Susanna Harrison, who
had been wife of John Harri-
son. Her death was certified
to by Thomas Peebles Sled.

Dec 26, 1771

Could she have been ^{mother}
of the Susanna you inquired
about? I can't find that
just now. The debris and/or
reference incident to 2 books
(one winding up, the other being
incomplete) has me stumped.
I'm just doing the best I can.
Love to you & your better half
who I have not seen her. Love B.P.
