Dear Dr. Armstrong:

Success!!! We have located a few copies of Ancestral Peregrinations by Richard B. McConnell with a forward by Mr. Charles G. Fleetwood, (deceased) a former Regent of the University of Houston. The reprint was funded by Mr. Fleetwood with a matching grant from Prudential Insurance Company.

The book was placed in over 300 libraries in the United States and Great Britain.

We are pleased to send you number 346 of 500 copies. There is no charge for the book. However, if you are so inclined, a donation to the University of Houston Foundation would be appreciated.

I hope you will enjoy the book.

Sincerely,
