In answer to your query
of 7 July 1986: "Do we
really know that John Cone's
wife (deceased ante 1816) was
Hannah?"

What if the Hannah Platts
Abraham Thiers married was
the widow of Peter Platts +
those were her Platts children
whose births were recorded in

Abraham's Bible

of Nancy Platts were
married to a Copland
before marrying Abraham,
could it have been Lot
Copland (1810 census, p. 86
Barnwell)? He's a likely
candidate! Abraham
needs at least 2 wives who
already had children to account
for the 1820 census!
