Dear Cora & Robert-

Words cannot express our sincere appreciation for your hospitality and kindness in driving us all over Hilton Head and showing us all those fascinating places. Milo said (and I agree) that we had never really seen Hilton Head before. Only a glimpse - but you showed us everything. Thank you again for giving up your time to us for the whole day. I was so happy to set foot on Fish Hall and the other plantations - and to see all those lovely homes down the other end of the island, not included in the former 'tour' we were given a year or so ago.

And, Cora, as you see I am already putting to use this lovely stationery you gave me. I do thank you.

Robert, I am ordering that Navy map today and you should receive it in due course. If you do not, please let me know. The copy Mary Sams had was one I ordered for her a year ago after my Atlanta visit. You can easily see the name Woodward where you said Crescent was; and on Haigs Point, Daufuskie. Wm. Pope (Squire)'s widow, Sarah Lavinia, had apparently given it to her only daughter, Elizabeth Cath. Pope, wife of Rev. Alsop Park Vail Woodward. Hence name Woodward instead of Pope showed on the map.

Have planned to take our Miami friends the Wallaces driving around Savannah today and now find we must attend funeral services for my sister Dot's mother in law at 3 o'clock today. Then our other Miami friends, the Fortiers are arriving Wed. or Thurs. I found their card in my box when we got home yesterday. The 2 Miami couples
over

will be staying at the Tides Motel
a few blocks from us, but we will
be with them every day during
their stay. It will be a rush week
for me.

Will write again soon,

Thanks again,

Eleanor + Milo
