Notes for Elizabeth E. Bowman:

A/P records from Fetterhoff's cemetery. Elisabeth was 41y, 10m, 28 days of age at the time of her death. She is buried in section A, row 2 along with a son William E. d 6 Feb 1881, at 6 years and 4 months: Reisch J.E. who dies 22 Feb 1881 at 2 years, 4 months, 9 days: Reisch, J.C. died 12 July 1890 at 17 years, 8 months and 22 days.

As per the 1870 Census, Elizabeth and Daniel Reisch plus a son Charles Franklin were living in the home the Christian and Mary Bowman. I will assume from this information that these are the correct parents.

A record of Elizabeth's baptism has not been found to date. I have not located the records for the Union E.U.B. church and will keep looking, because I feel that is where I will find her records.
