Mr. Robert E. H. Peoples,
Hilton Head Island, S.C.

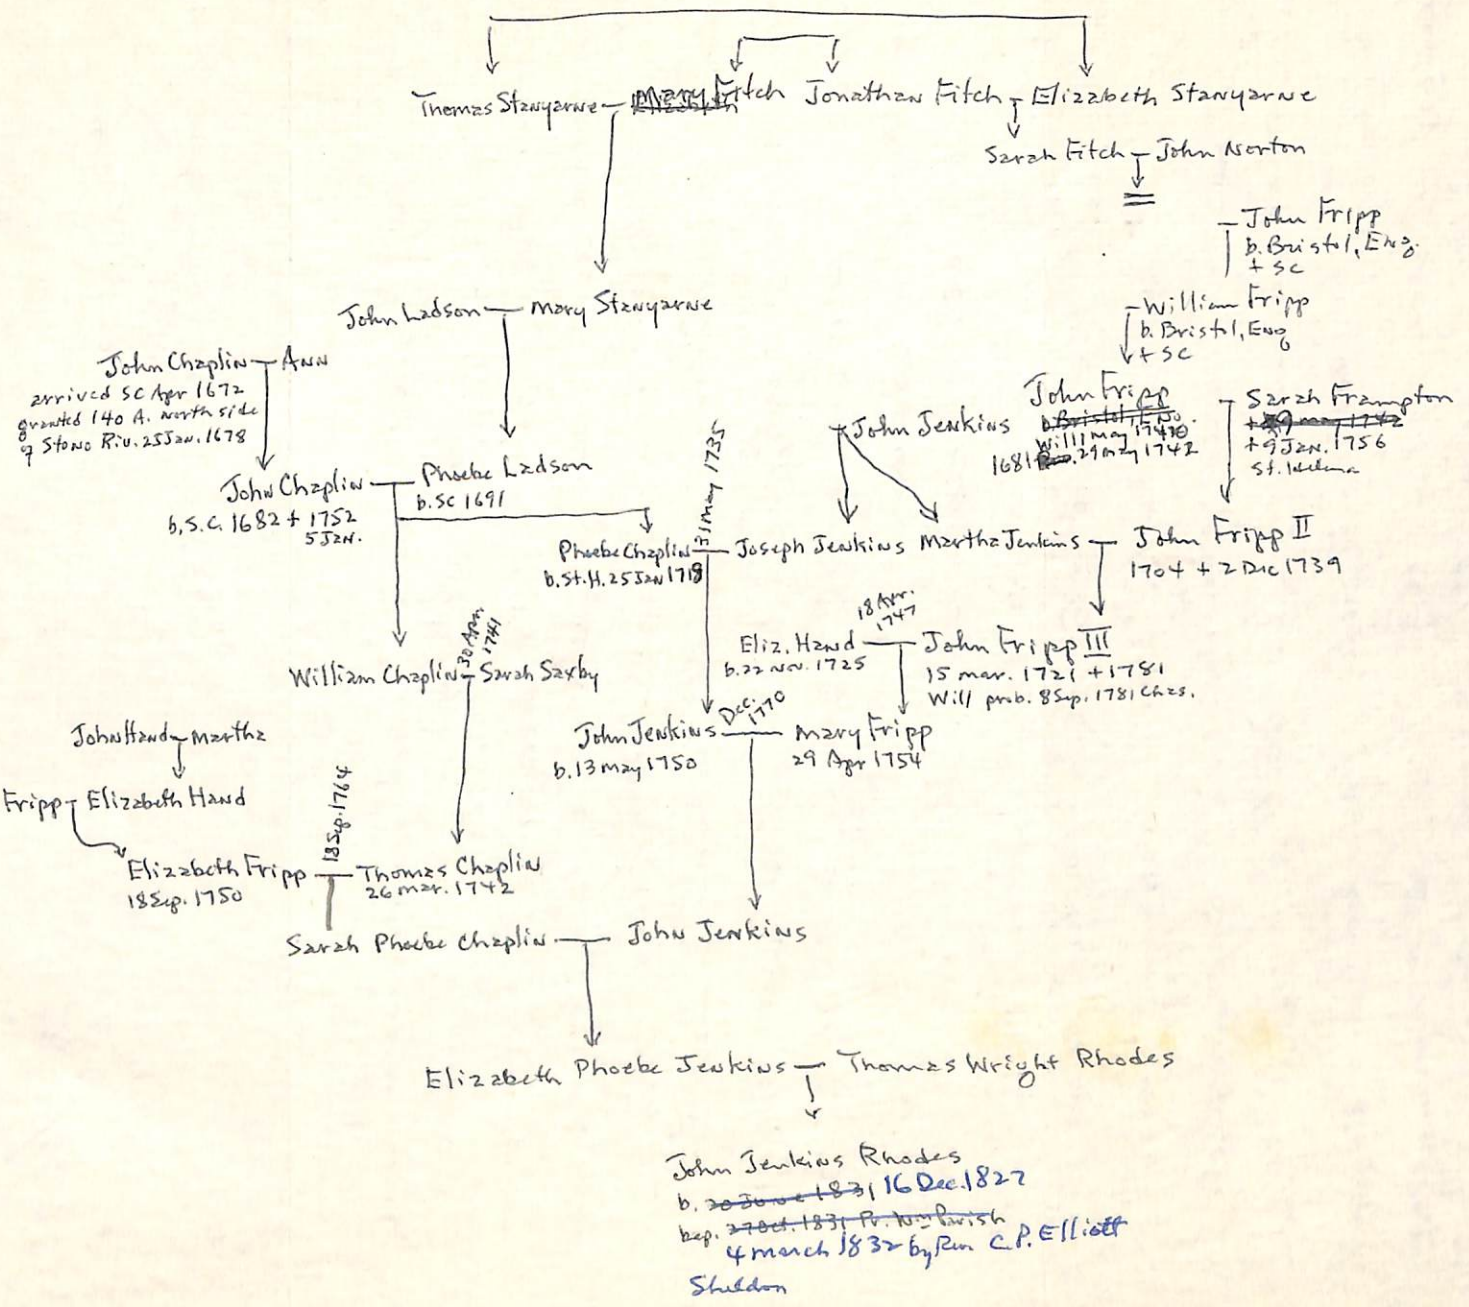

Dear Sir:

I enjoyed my 'phone conversation with you the other day very much. I am happy to make your acquaintance. Patty and I look forward to coming over to Hilton Head and meeting you after the baby comes and ^{when} she can travel. I am sure you must have a wealth of information that will be interesting to us and to our children and ^{their} descendants from now on. There are a couple of points I would like to inquire about briefly at this time though.

Just like I mentioned on the 'phone the other day, I was trying to tie in John Jenkins Rhodes with the Jenkins and see how the relationship came about. I realize that you do not descend from the Jenkins but I believe you said you have the information. This is what I can not tie together: In Volume XVI # III July 1955, I note that in the register of Sheldon Church page 153 #29 "John Jenkins Sr. Shos. W. and Elizabeth P. Rhodes, born Dec. 16th 1827 Baptised March 4th 1832 By Rev C. P. Elliott." I am sure this must have been A. B. Youmans, my wife's father's grandfather, who later on married George
