manuel at each monthly meeting which is very interesting and we will be glad to have all the members take part in this study.

We were delighted to have with us Miss Mattie Luck who is visiting her sister, Mrs L P Glass and Mrs Abbott who is visiting Mrs Harry Lee.

Our next meeting will be held with Mrs M N Roberts on Friday after the second Sunday in July at six o'clock instead of four. This change being made for the next three months.

The closing prayer was by Mrs. Leverette, after which a delicious sweet course was served by Mrs Hollingsworth and Mrs J C Reddick.

DEATH OF MRS AGNES ROBBINS
Rose Agnes Rhodes

The death of Mrs Agnes Robbins, relict of the late Mr Atys Robbins, which occurred at her home near Dover Tuesday after weeks and months of suffering brought a happy release to this good christian woman.

She leaves one daughter, M. J Ellis Cail, three sons, H G, M H and L A Robbins; two brothers, S P and T M Rhodes; and a number of grand children and other relatives.

Mrs Robbins was left a widow early in life with a family of small children to rear and educate and she met and discharge these duties as a wise and good mother and today her children "rise up and call her blessed," and her long, faithful service is a comfort and inspiration to them, and may they say,

"The memory shall ever be
A guiding star to Heaven and thee."

She not only "looked well to the ways of her household' but her good works reached and blest her church and community and the many beautiful floral tributes brought by her neighbors and friends attested the love and esteem in which she was held by all who knew her.
