Rhodes' daughter Thursa Evelina Rhodes?

Now referring to the Jenkins Family Record
Volume XX #4 October 1919 Page 237 #12 is
"Col. John Jenkins 1771-1855 (son of John Jenkins & Mary
Fripp Jenkins), married Sarah Chaplin 1779-1816; had five
children viz., Elizabeth, married ^{Thomas Wright} ~~Theresa~~ Rhodes."
Is this the connection? If it is, it is not quite
clear plus a little confusing. Do you have a Rhodes record
that would show this? Also, I noted (and this is
from memory) that a Nathaniel H. Rhodes married the
daughter of Gov. Paul Hamilton. This is recorded in
the records of the Wiltown Presbyterian Church.

Any information on these that you could
give would be appreciated greatly. Looking forward
to meeting you in person shortly, clam -

Very truly yours,
John H. Boinéau
