Some of the names I couldn't decipher.

Once in Bamberg I met Joseph Fickling's ^{Raymond or Middleton I don't remember which} son. He was a large man. One of my brothers looks just like him. My grandmother was living at that time. She said my brother looked just like the Ficklings. Her husband was a big man.

I read in the Beaufort Book of Homes. In articles about Lafayette coming said two escorting Militiamen Wm. Fickling + --- were over six feet tall.
